# Hydra-related events at OR12

**Tuesday 10th July**  
**09.00 - 12.00** Hydra Workshop

- 14.00-15.00** Posters
- History DMP: Managing data for historical research  
*Chris Awre (Hull), Richard Green (Hull), John Nicholls (Hull), Martin Dow (Acuity Unlimited)*

**Wednesday 11th July**  
**11.00 - 12.30**  
Session P3B

- Panel Discussion: “Effective Strategies for Open Source Collaboration” *Tom Cramer (Stanford), Jon Dunn (Indiana), Valorie Hollister (DuraSpace), Jonathan Markow (DuraSpace)*

**Thursday 12th July**  
**09.00 - 11.00**  
Session P6A

- Variations on Video: Collaborating toward a robust, open system to provide access to library media collections *Mark Notess (Indiana), Jon W. Dunn (Indiana), Claire Stewart (Northwestern)*

Session RF6

- Towards a mature, multi-purpose repository for the institution *Chris Awre, Simon Lamb, Richard Green, (University of Hull)*

**16.00 - 17.30**  
Session UGF1A

- The Seaside Research Portal: A Study of the Best of Breed Approach using Hydra and Blacklight for Digital Exhibits and Collection Management *Rick Johnson, Dan Brubaker Horst (Notre Dame)*
- Campus-based Publishing Repository Integrator (CAPRI) *Benjamin Kay, John Whelan, Tanko Ishaya, Chris Awre, Martin Goodman (University of Hull)*

**Friday 13th July**  
**09.00—10.30**  
Session UGF2

- WGBH Open Source Digital Asset Management System for Media Preservation *Karen Cariani (WGBH)*

**11.00 - 12.30**  
Session UGF3

- Hylandora: Strategies for Cross-Framework Interoperability within the Fedora Community *Tom Cramer (Stanford), Jonathan Green (Prince Edward Island), Mark Leggott (Prince Edward Island)*
- The HydraSphere: One Body, Many More Heads, One Year Later *Tom Cramer (Stanford), Lynn McRae (Stanford), Chris Awre (Hull), Robin Ruggaber (Virginia), Matt Zumwalt (MediaShelf)*

**13.30 - 15.00**  
Session UGF4

- Deep Dive: Stanford University’s Argo Repository and Workflow Administration Interface *Michael B. Klein (Stanford)*
